“Join Ellie Campbell of Blend Management Consulting as she unlocks the secrets of enjoying your expat experience. Ellie draws on her lifelong experience as an expat combined with her life coaching training to create a unique presentation. Her inspirational, informative, and interactive presentation will help you discover some of your hidden talents, strengths, and potentials. She’ll also explore the amazing lifelong value of expat friendships”.

Being an expat wife is an experience that few are lucky enough to receive, why not make the most out of it. Take a step in the right direction and maybe make a friend or two along the way.
